

C/G series CO₂ laser tube

Technical parameter

Model	Rated power (W)	Maximum power (W)	Output voltage (mm)	Catalyst	Application scope	Warranty (M)
700-C	38	42	Φ50±2	Yes	Medical/Industrial	12/3
800-C	40	44	Φ50±2	Yes	Medical/Industrial	12/3
900-C	42	46	Φ50±2	Yes	Medical/Industrial	12/3
1200-G	65	75	Φ55±2	Yes	Engraving/Cuting	6
1600-G	100	110	Φ60±2	Yes	Engraving/Cuting	6

Product performance

Traditional product
Mature technology
Highly cost effective

Quality assurance
More than 30 years experience
in researching and producing.

Upgraded coating technology
Stable output power, good beam quality

Customized electrode
特殊处理方式, 电极不虚焊, 不脱落

Inlet and outlet identification

This side-up identification

Security label

Glass cooling box
